

AUTOMOTIVE REFINISH PRODUCT ANNOUNCEMENT

January, 2018

DAU75 DELCLEAR® Acrylic Urethane Clear

Product Information:

PPG is pleased to announce the move of DAU75 DELCLEAR® Acrylic Urethane Clear and DXR80 Ultra Urethane Hardener from our DELTRON® refinsh system and into the VIBRANCE COLLECTION® custom finishes line. Introduced into the market in 1975, DAU75 became an industry leader because of its unique ability to be applied over a variety of substrates. To this day DAU75 is the only PPG Refinish clearcoat that offers recommendations for application over various metals and wood, making it a perfect choice for specialty finishes.

This brand move from *Deltron* refinsh system into *Vibrance Collection* custom finishes does not change existing pricing, formulation, packaging or terms.

Marketing Information:

DAU75 may be applied over:

- Properly treated bare *aluminum
- Properly treated bare *brass
- Properly treated bare *copper
- Wood

* Please refer to our metal treatment document OC-36 for proper preparation
