

AUTOMOTIVE REFINISH NEW PRODUCT ANNOUNCEMENT

November 1, 2022

SUA1280 UV-CURED PRIMER SURFACER

Product Information:

ONECHOICE® brand is introducing a new, convenient aerosol UV-Cured Primer Surfacer SUA1280. This primer surfacer is designed to repair small areas quickly and professionally with the ease and efficiency of UV processing that can be overcoated with many PPG refinish topcoat systems.

SUA1280 UV-Cured Primer Surfacer is easy to spray and uses technology that allows you to sand the primer surfacer in just two minutes after application.

Features & Benefits:

- Ideal for rapid repair process
- High build
- 2-minute cure
- Ready-to-use
- Minimal flash between coats
- Maximum productivity
- Increased vehicle throughput
