

AUTOMOTIVE REFINISH NEW PRODUCT ANNOUNCEMENT

Date: July 10, 2023

FINE LIQUID METAL

DMD1770

Product Information:

DELTRON® NXT DMD1770 Fine Liquid Metal is being launched as a rebrand of the VIBRANCE COLLECTION A PPG BRAND® VM4370 Super Fine Liquid Metal. DMD1770 is designed to be used in the Deltron NXT mixing system to accurately match OEM formulas that contain this special effect pigment.

This toner has been designated as a “Limited Use Toner.” When a customer accesses a color formula containing this toner, a warning will be shown: **“WARNING: contains DMD1770 limited use toner! Please check available stock prior to mixing.”**
